Re: Three Rivers Filtration  
Plant  
New Laboratory Facility

Dear Mr. Bailey:

As stated in the meeting this morning with you and Mr. Walter Jordan, Robert E. Crosby & Son, Inc. will make a good faith effort to commit 10% of the total bid price to Emerging Business Enterprises. If awarded the contract, we will be subcontracting with Fort Wayne Roofing, an EBE Contractor, for the roofing in the amount of \$21,428. In addition to the efforts made prior to submitting a bid for this project, we are doing the following:

1. We are again soliciting existing EBE subcontractors and suppliers, who did not submit bids for this project, to submit a bid.
2. We are also urging subcontractors and suppliers that did bid the project and who we feel may qualify as an EBE contractor to submit the Request for Certification forms.

We feel very strongly that the 10% commitment will be met.

Sincerely,

ROBERT E. CROSBY & SON, INC.

4. Continued efforts to reach goal. Contractor shall continue to make good faith efforts to reach the 10% E.B.E. goal and, if at the time final payment application is made, Contractor has not attained the 10% E.B.E. goal, Contractor shall file with the final payment application a "Request for Waiver". Said Request for Waiver shall contain a written description of the efforts taken by Contractor to attain the 10% participation goal.

5. Determination of waiver requests. The Contract Compliance Department of the City of Fort Wayne shall examine all requests for waiver to determine if Contractor's efforts constitute good faith efforts to attain such goal and shall submit recommendations concerning said requests for waiver for the final determination of the Board of Public Works of the City of Fort Wayne.

6. Good Faith Per Se. In any case, a Contractor shall be deemed to have made good faith efforts at compliance where E.B.E.'s have been subcontracted for every sub-contract for which there are qualified E.B.E.'s available.

7. Consequence of noncompliance. In the event the Board of Public Works approves a recommendation that Contractor failed to make good faith efforts at compliance the contract shall be reduced by the amount undistributed from the E.B.E. reserve. Said undistributed amount shall be added to the City of Fort Wayne E. B. E. Bond Guarantee Fund and Contractor agrees to accept the reduced amount as full payment under the terms of his contract.

8. In the event the Board of Public Works determines that a good faith effort to comply with Executive Order 90-01 has been made, the contract shall not be reduced and the balance in the E.B.E. reserve shall be paid to the Contractor as part of his final contract payment.

IN WITNESS WHEREOF, the parties have executed this E.B.E. Rider this 4 day of DECEMBER, 1991.
